Course 900: Principles of Real Estate Engineering March 5-6, 2019 Richardson, TX

Course 900: Principles of Real Estate Engineering

Course Description:

With the use of lecture, questions and answers, exercise methods and graphic illustrations, participants in this course will learn how to use engineering tools and will gain basic skills in reading and interpreting information contained on engineering plans. Participants will also learn how to read, understand and plot simple descriptions using the most common methods of property descriptions.

Topics:

- Understanding the basic principles of engineering drawings
- Understanding and interpreting information on plans
- Using an engineer's scale to determine distances
- Identifying types of highway curves
- Determining the effects of a project on a property
- Understanding the background of property descriptions
- Become knowledgeable of the basic features of property descriptions
- Become familiar with the most common systems and methods of property descriptions
- Writing and plotting property descriptions using various methods

Cancellation Policy: All classes scheduled by IRWA are subject to cancellation. All class registrants must contact the Course Coordinator prior to making travel arrangements, keeping in mind that the class may be cancelled at any time (for reasons including, but not limited to, insufficient registration, Instructor emergencies or other issues beyond the control of the chapter and/or IRWA). Fully liquidated damages for any losses incurred by a class registrant are limited solely to a refund of the registrant's prepaid class tuition. IRWA and its chapters assume no other registrant liability resulting from class cancellation.

Tuition Refund Policy: Written notification of intent to cancel registration must be received via email by both the Course Coordinator and IRWA Headquarters Education Staff (education@irwaonline.org) prior to the class start date in order to be eligible for a tuition refund. A full tuition refund will be issued if notice is received 15 days or more prior to the class start date; a 75% refund will be issued if notice is received less than 15 days prior to the class start date, and no refund will be issued for notice received on or after the class start date.
